

The DogStar Training NJ - Bright & Beautiful Therapy Dog Team is in need of members!

We are getting additional requests for trained Therapy Dog Teams to visit various locations.

If your dog is over a year old, is well behaved and likes to meet new people he or she could be a great therapy dog. You only need 1 hour a month of your time to be a volunteer.

Please contact Kathy of DogStar Training NJ for information.

"GET THAT DOG OFF THE COUCH!"
